- View project history

Key features of the Software tool

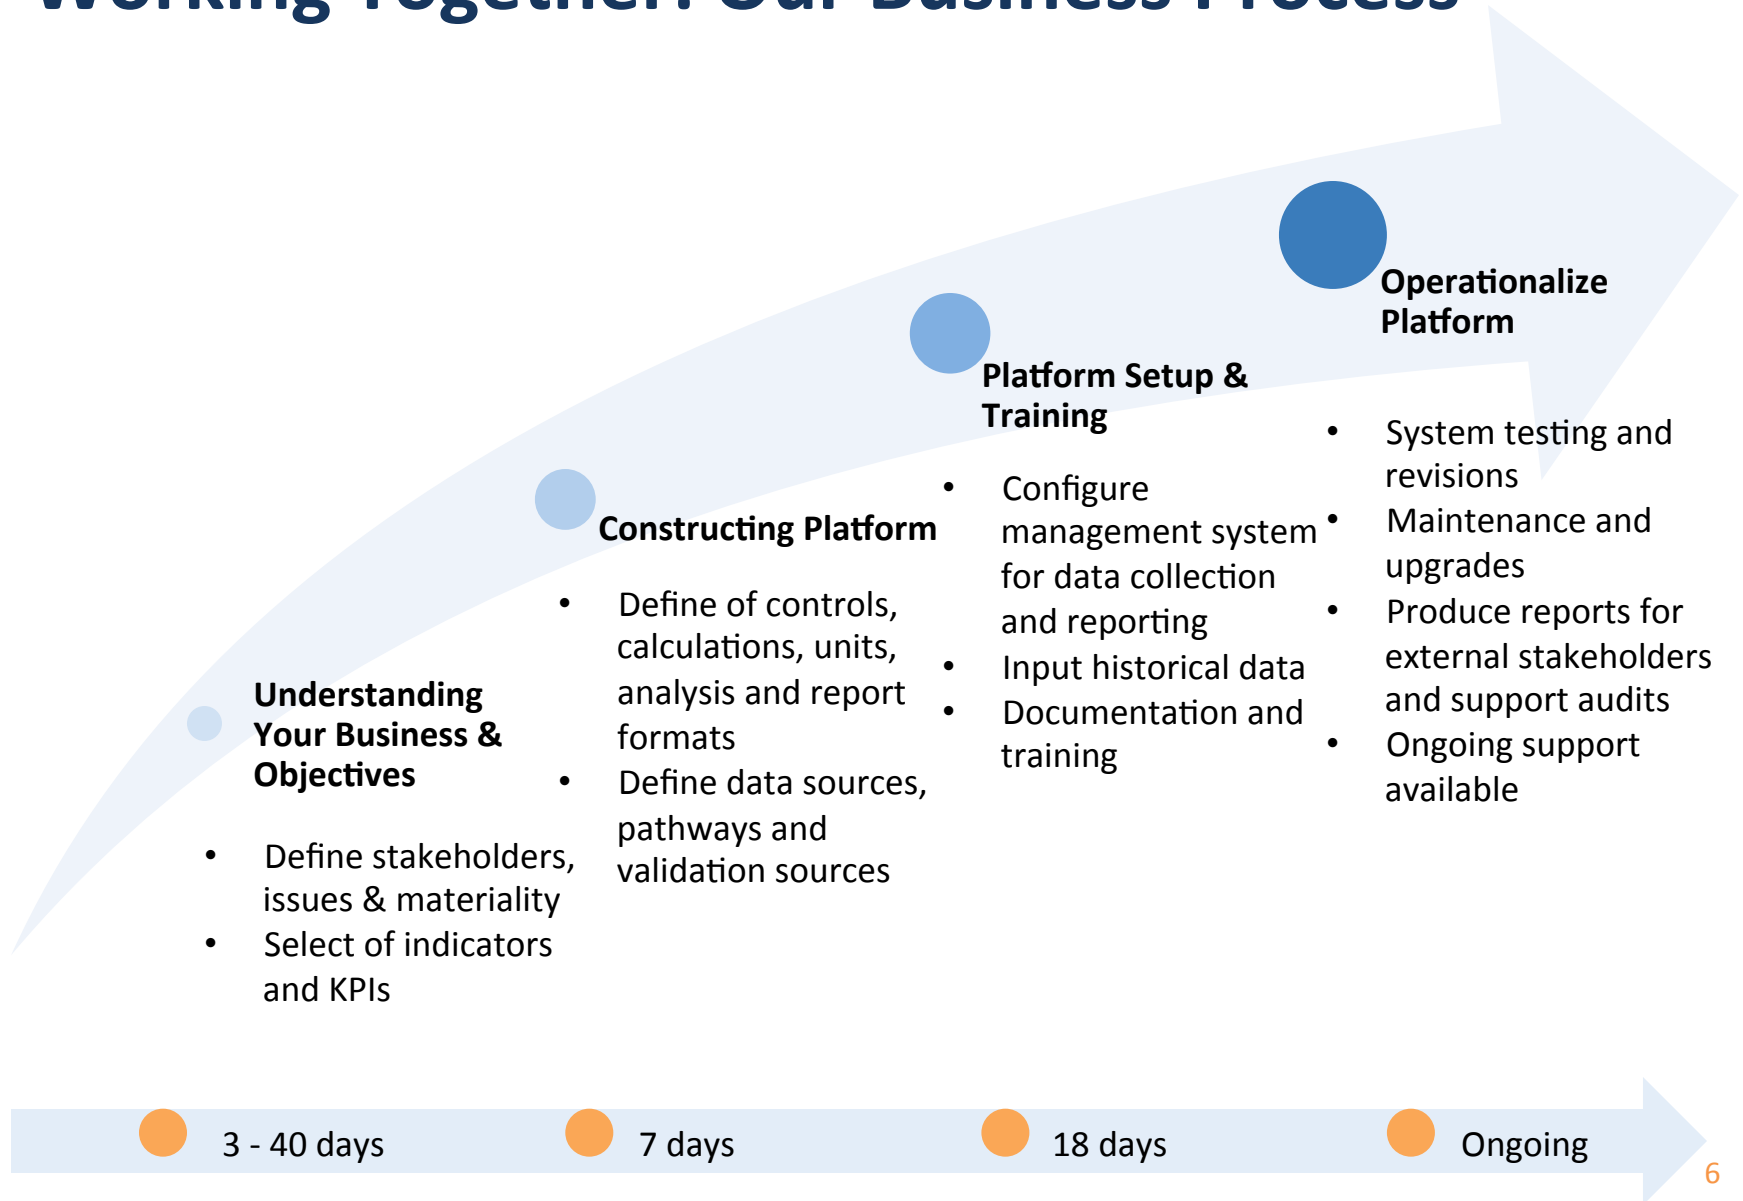

Fully Customizable Features

The screenshot displays the Tennaxia software interface. The top navigation bar includes tabs for Monitoring & Compliance, Waste, Water, CSR Reporting, Management, EHS Questionnaire, Action plans, Alerts, and Administration. The main content area shows a data entry form for 'Site Brooklyn Infusion Center' and 'Campaign Annual Social Reporting - 2014'. The form is titled '4/ Social domain Workforce' and contains a section for 'Number of employees on fixed-term contracts'. This section includes a 'Value' field with '65', a 'Variation' field with '+8%', and a 'Not available' checkbox. A 'Comments' field is also present. Below the form, there is a table with columns for '2014' and '2013'. The table shows a value of '1000' for 2014 and '83' for 2013, with a '+1105%' variation. A comment below the table reads 'please find attached the documentation to support the entry'. The interface also features a 'Start now' button, 'Previous page' and 'Next page' navigation, and a 'Save' button at the bottom.
